NC AHEC VISION

North Carolina Area Health Education Center — Video Interactive Statewide Instructional Online Network

NC AHEC VISION

enables people to communicate and collaborate easily and intuitively through advanced voice, video and data conferencing solutions – with video clarity you can see, audio quality you can hear and ease-of-use you can feel.

NC AHEC VISION

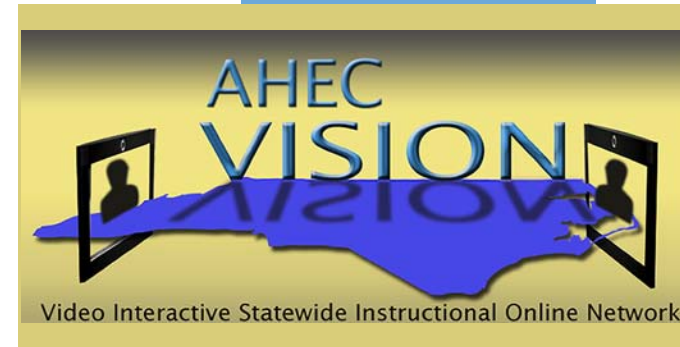

brings a more human experience to collaborative communication — when people work together seamlessly, great things happen.

NC AHEC VISION

is a resource for all AHEC faculty and staff to more effectively provide educational opportunities and conduct business statewide with the ability to connect nationally. In addition the NC AHEC VISION is available for non-AHEC healthcare-related use.

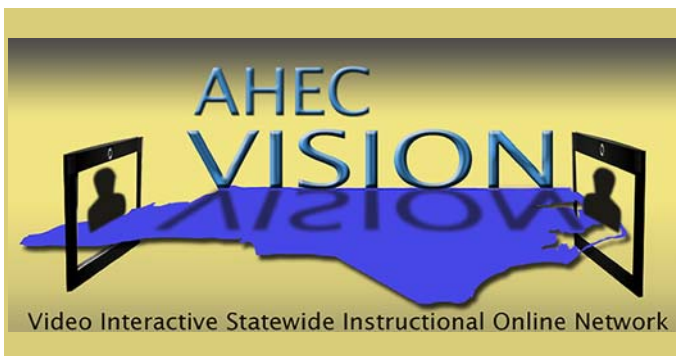

Through interactive distance learning, an instructor can motivate and expose participants to people, places, and experiences without the traditional restrictions of time limitations or geographical barriers.
