

### **NC DHHS Online COVID-19 Resource for Spanish-Speaking North Carolinians**

North Carolina Department of Health and Human Services (NCDHHS) launched new online tools to help Spanish-speaking North Carolinians to determine if they should consider being tested for COVID-19 and help individuals monitor their symptoms if they have tested positive for or been exposed to COVID-19.

The new online tools are intended to help people know if they may need a test, how to get a test and how to monitor their own symptoms if advised to do so. These tools include:

- **Check My Symptoms** (Comprobar Mis Síntomas) (<https://ncdhhs-covid19-dtra.powerappsportals.us/es-ES/>), a public website that allows people to enter their symptoms to determine if they should consider getting tested for COVID-19. If a test is recommended, they will receive a link to a list of nearby testing sites via email or text.
- **Find My Testing Place** ([www.ncdhhs.gov/TestingPlace](http://www.ncdhhs.gov/TestingPlace)), a public website that allows people to enter their county or ZIP code and access a list of nearby testing site locations online. To view in Spanish, users can select Spanish in the yellow box.
- **COVID-19 Community Team Outreach (CTO) Tool**, a password-protected online software that helps people track their own symptoms if they have been advised to do so by the COVID-19 Community Team.

### **Promotional Materials to Help Spread the Word**

To help you get the word out we have updated materials in Spanish available:

- Flyers about getting tested for COVID-19 and using the Check My Symptoms online tool.
- Facebook and Twitter images for you to share on social media.

You can find these materials at [covid19.ncdhhs.gov/preventandprotect](https://covid19.ncdhhs.gov/preventandprotect) – scroll down to **Check Your Symptoms**. Additional resources are also available.

**SCHOOL GUIDANCE!** [School Guidance](#) and many resources were released this week along with Governor Cooper's announcement regarding the return to school for students and teachers next month.
