

# Called to Care?

## Start Here.

NC AHEC helps prepare the next generation of health care professionals by connecting students with mentors, real-world experiences, and meaningful support.

**Because North  
Carolina's  
future  
depends on  
students  
ready to lead  
with care.**

Vanessa is headed to Yale! Hear her story. 

# A Healthier North Carolina Starts With Vanessa.

Its future strengthens with you, too.

NC AHEC empowers future health care professionals through mentorship and hands-on learning. Meet Vanessa Amabo, a recent NC AHEC Scholars graduate who matched at Yale for her OB/GYN residency. Hear how NC AHEC shaped her path.

*"The AHEC Scholars Program has been a gateway to the plans I now have to conduct research with advocacy groups to promote the hiring of Community Health Workers (CHWs) in other communities. Through the AHEC Scholars Program, I gained a deeper understanding of the value CHWs bring to health care systems, including their potential to improve patient outcomes while also delivering a strong return on investment both financially and within communities served."*
